Thank you to all of our bowlers and their parents, relatives and friends.
This year we had teams participate in our tournament.

The winners are listed above using the following criteria. A team can only win one award. A team is awarded the higher finishing place if the team qualifies for more than one award. 1st Place handicap is the highest award.

The Girls division must be four girls bowling together and the Open division is all other teams.

Each class has a first place winner and additional awards are given for additional participants. At least 1 in 8 teams receive handicap awards. If a class has 10 teams or more an actual award is given.
