Thank you to all of our bowlers and their parents, relatives and friends.  
This year we had 65 sets of doubles.

The winners are listed above using the following criteria.

The Girls division must be two girls bowling together and the Open division is all other teams.

Each class has a first place winner and additional awards are given for additional participants. At least 1 in 8 teams receive handicap awards. If a class has 10 sets of doubles or more an actual award is given.
