

## Lola Hable Scholarship Award Program

The purpose of the Lola Hable Scholarship Award Program is to further the interest in the game of bowling for eligible female High School Seniors who are bowling within the geographical boundaries of the former Wauseon Women's Bowling Association (i.e. Swanton Sports Center, Wauseon, Delta, Metamora, and Lyons bowling facilities.) Candidate must be an amateur, as defined by the United States Bowling Congress. The Wauseon WBA merged with the Greater Toledo USBC Association in 2006 and the scholarship will be continued and administered for 10 years through the Greater Toledo USBC Association.

The scholarship must be used within one year after graduation and will be paid to the college or trade school in the name of the recipient.

Completed applications, including signatures and letters of recommendations, along with an official transcript of courses, must be received in the Greater Toledo USBC Association office by April 15, annually. Other information and additional forms may be obtained by contacting:
